

The firm offers immigration law services in very specific area of the law. Our fees are based on the average application and assume that all the documentation and information is provided in a timely manner without complication in the process. The fees are calculated on an estimate of the time required to study the case and process the application and are on the following hourly basis:

Partner hourly rate: £300 (+VAT)

Senior Associate hourly rate: £250 (+VAT)

Trainee hourly rate: £100 (+VAT)

VAT is charged at current rate of 20%.

The application should be normally submitted within 4 weeks maximum from the finalisation of the documentation provided. We cannot guarantee how long the Home Office will take to respond to the application. The fees do NOT include VAT, if applicable. There might be cost for translation, legalisations and for an interpreter if so required are EXCLUDED from our estimate and will be charged at cost.

The main areas are:

- Application for naturalisation or registration under British Nationality Act: between £2,000 (+VAT) and 4,500 (+VAT) depending on the complexity of the case.
- Applications for EU nationals and their family members for permanent residence, residence cards and registration certificates: between £1,500 (+VAT) and £5,000 (+VAT) depending on the complexity of the case.
- Application under EU Settlement Scheme for EU nationals and their family members: between £700 (+VAT) and £1500 (+VAT) depending on the complexity of the case.
- Point Based system application: between £1,500 (+VAT) and £8,000 (+VAT) depending on the complexity of the case and the category under which the client needs to apply.

This are just an estimate of the fees; a more accurate indication of the cost and timescale will be provided once we have a full understanding of the matter. An initial consultation will be undertaken following the revision of all initial materials. Based on your individual circumstances, we will provide a breakdown of cost depending on the complexity of the case.
