ABOUT PIROLA PENNUTO ZEI & ASSOCIATI

Pirola Pennuto Zei & Associati was established as an association of professionals in the early 1980s by its founders who were already engaged throughout the 1970's in providing tax and legal consulting services to businesses and multinational groups of companies. With its 10 offices in Italy, it is currently one of the leading independent Italian firms.

Our organization has made service quality its distinctive feature through the experience and high professionalism of over 500 professionals who, by combining their technical skills and expertise, provide a wide range of tax, legal and accounting consulting services, using advanced methodologies and an extensive network of correspondents.

Leveraging the wealth of knowledge and know-how gained over the years, Pirola Pennuto Zei & Associati is recognized as an authoritative partner in business, academic and professional circles, providing synergy, support and mutual enrichment.
